Tejas Panchbhai

Full Stack Web Developer

+917798578709 tejastp2141@gmail.com LinkedIn GitHub Shirpur, India

PROFESSIONAL SUMMARY

Full Stack Web Developer with hands-on experience in React.js, FastAPI, PostgreSQL, and REST APIs. Passionate about building scalable web applications and solving real-world problems through software engineering.

WORK EXPERIENCES

Intern | Internship — Jul 2025 - Jan 2026

SLMT Technology Pvt. Ltd. — *On-site • Shirpur*

- **Selected** for a **competitive software development internship** after successfully clearing **technical assessments.**
- **Gained** hands-on experience with AI concepts, tools, and real-world applications.
- **Enhanced** technical and professional skills under the mentorship of industry professionals.
- **Served** as a JavaScript Trainer, planning and delivering a 45-day online training program for over 20 students.
- **Contributed** to a training initiative that generated **₹50,000+** in revenue through student enrollments.

Technologies / Skills Used : *React.js, FastAPI, JavaScript, Tailwind CSS, Git, GitHub, SQL, REST APIs*

PROJECTS

GharSeva – AI-Powered Home Services Marketplace | Github

Lead Developer

- Developed a **scalable full-stack AI-powered marketplace** for home services, featuring **15+ modules**, supporting **4 user roles**, and facilitating end-to-end booking and payment workflows.
- Engineered a **secure multi-role platform** with **JWT Authentication**, **RBAC**, provider verification, and profile management for **4 user roles**.
- Designed a **PostgreSQL database** with **20+ tables** and created **30+ RESTful APIs** using **FastAPI** and **SQLAlchemy** for secure data management.
- Implemented **AI-driven provider matching** utilizing **5+ ranking factors** and developed a responsive **React.js interface** featuring search, analytics, and booking dashboards.

Technologies / Tools Used : *React.js, Tailwind CSS, FastAPI, Python, PostgreSQL, JWT, Razorpay, Google Maps API*

Hotel Management System | Github

Lead Developer

- **Developed** a web-based hotel management system with **5+ modules**, including room booking, reservation management, and customer records.
- **Implemented** an admin panel to manage over **100 booking records**, streamline reservations, and automate report generation.
- **Designed** and integrated a MySQL database for efficient storage and retrieval of customer, booking, and payment information.
- **Streamlined** hotel operations by centralizing booking and management processes into a single platform.
- Reduced manual booking management by automating reservations and customer record management.

Technologies / Tools Used : *JavaScript, HTML5, CSS3, AJAX, MySQL, Apache Server (XAMPP), GitHub*

SKILLS

Programming Languages :	JavaScript, Java, Python, SQL, C++, C, PHP
Frameworks & Libraries :	React.js, FastAPI, Tailwind CSS, SQLAlchemy, Angular
Web Technologies :	HTML5, CSS3, REST APIs, JWT Authentication, AJAX
Databases :	MySQL, MongoDB, PostgreSQL
Developer Tools :	Git, GitHub, Docker, Postman, Visual Studio Code
Software Development :	Object-Oriented Programming (OOP), Database Management System (DBMS), Data Structures & Algorithms (DSA)
Soft Skills :	Problem Solving, Leadership, Communication, Teamwork, Analytical Thinking

EDUCATIONS

R.C. Patel Secondary School | Babhalaj — 2019 - 2020
SSC — *Percentage : 86.60%*

R.C. Patel Junior College | Shirpur — 2021 - 2022
HSC — *Percentage : 82.50%*

RCPIMRD College Shirpur — 2022 - 2027
Integrated MCA — *CGPA : 9.55*

CERTIFICATIONS

- **AI Internship – SLMT Technology Pvt. Ltd.**
  Successfully completed a **6-month industry internship**, developing web applications using **React, FastAPI, SQL, Git/GitHub**, and AI-powered solutions while contributing to real-world software projects.
- **Job Ready AI-Powered Cohort – Sheryians Coding School**
  Completed intensive training in **Web Development, Data Structures & Algorithms (DSA), Aptitude**, and hands-on project development using modern technologies.
- **SQL and Relational Databases 101 – IBM Skills Network**
  Gained hands-on knowledge of **SQL, relational databases, joins, normalization, CRUD operations, and database design** for software applications.
- **Hack With Mumbai 2.0 – National Level Hackathon**
  Participated in a **30-hour national hackathon**, collaborating in a team to design, develop, and present an innovative software solution under strict deadlines.

LEADERSHIP

Secretary – AI Student Chapters Club — 2025
R.C. Patel Educational Trust's Institute of Management Research and Development, Shirpur

- **Managed** official communications and **coordinated** chapter activities and events.
- **Planned** AI-focused sessions, workshops, and student initiatives.
- **Collaborated** with faculty and students to ensure effective chapter operations.
